The Prospectus forms the base prospectus of the Issuer within the meaning of Article 8 (6) of the Prospectus Regulation.

The Original Prospectus has been approved on 27 May 2021 by the Austrian Financial Market Authority (*Finanzmarktaufsichtsbehörde*, the "**FMA**").

This Supplement has been filed with and approved by the FMA in its capacity as competent authority, filed with the Vienna Stock Exchange (*Wiener Börse*) and published in electronic form on the Issuer's website under "[www .raiffeisen.at/ooe/rlb/de/meine-bank/investor-relations/eigene-emissionen/prospekte-und-bedingungen.html](http://www.raiffeisen.at/ooe/rlb/de/meine-bank/investor-relations/eigene-emissionen/prospekte-und-bedingungen.html)".

Terms defined in the Prospectus shall have the same meaning when used in this Supplement.

To the extent that there is any inconsistency between (a) any statement in this Supplement or any statement incorporated by reference in the Prospectus by this Supplement and (b) any other statement in or incorporated by reference in the Prospectus, the statements mentioned in (a) above will prevail.

Save as disclosed in this Supplement, no other significant new factor, material mistake or material inaccuracy relating to the information included in the Prospectus has arisen or been noted, as the case may be, since the publication of the Prospectus.

In accordance with Article 23 (2a) of the Prospectus Regulation, investors who have already agreed to purchase or subscribe for securities issued or to be issued by the Issuer before this Supplement was published have the right, exercisable within three working days after the publication of this Supplement, to withdraw their acceptances until, and including 19 April 2022, provided that the significant new factor, material mistake or material inaccuracy arose or was noted before the closing of the offer period and the delivery of the Notes, whichever occurs first. Investors may contact the relevant financial intermediary if they wish to exercise their right of withdrawal.

The accuracy of the information contained in this Supplement does not fall within the scope of examination by the FMA under the Prospectus Regulation. The FMA only approves this Supplement as meeting the standards of completeness, comprehensibility and consistency imposed by the Prospectus Regulation. Such approval should not be considered as an endorsement of the Issuer that is the subject of this Supplement.

RESPONSIBILITY STATEMENT

The Issuer, with its registered office at Europaplatz 1a, 4020 Linz, Austria, is responsible for the information given in this Supplement.

The Issuer hereby declares that, to the best of the knowledge of the Issuer, the information contained in this Supplement is in accordance with the facts and makes no omission likely to affect its import.

NOTICE

This Supplement shall only be distributed in connection with the Prospectus.

The Issuer confirms that the Prospectus contains all information with regard to the Issuer and any Notes which is material in the context of the Programme and the issue and offering of Notes thereunder, that the information contained therein is accurate in all material respects and is not misleading, that the opinions and intentions expressed therein are honestly held, that there are no other facts, the omission of which would make the Prospectus as a whole or any of such information or the expression of any such opinions or intentions misleading in any material respect, and that all reasonable enquiries have been made to ascertain all facts and to verify the accuracy of all statements contained therein.

No person has been authorised to give any information which is not contained in, or not consistent with, the Prospectus or any other information supplied in connection with the Programme and, if given or made, such information must not be relied upon as having been authorised by or on behalf of the Issuer, the dealers (as named in the Original Prospectus) or any of them.

Neither Deutsche Bank Aktiengesellschaft as arranger nor any dealer (as named in the Original Prospectus) nor any other person mentioned in the Prospectus, excluding the Issuer, is responsible for the information contained in the Prospectus or any other document incorporated therein by reference and, accordingly, none of these persons accepts any responsibility for the accuracy and completeness of the information contained in any of these documents.

Significant new factors, material mistakes and/or material inaccuracies (as referred to in Article 23 (1) of the Prospectus Regulation) have arisen which in the Issuer's perception are capable of affecting the assessment of the Notes, and are thus herewith included in the Original Prospectus as follows:

1.1 In the section entitled "RISK FACTORS – RISK FACTORS REGARDING THE NOTES – Risk factors regarding Covered Bank Bonds" after the risk factor entitled "Certain Covered Bank Bonds could be redeemed after their Maturity Date." on page 29 of the Original Prospectus the following risk factor shall be added:

"The loan to value ratio for residential property included in the cover pools for Covered Bank Bonds may be increased.

The Issuer's articles of association currently stipulate that, generally, a loan to value ratio of 60 per cent. applies to all cover assets of the cover pools relevant for Covered Bank Bonds. After the entry into force of the Austrian Covered Bond Act, Federal Law Gazette I No. 199/2021 (*Pfandbriefgesetz – "PfandBG"*) on 8 July 2022, the Issuer may continue all existing cover pools for issues of Covered Bank Bonds pursuant to the FBSchVG for the issue of covered bonds pursuant to the PfandBG. As a consequence, existing issues of Covered Bank Bonds pursuant to the FBSchVG may after 8 July 2022 be secured by cover pools with an up to 80 per cent. loan to value ratio (as stipulated in Article 129 CRR) for residential property (instead of currently 60 per cent.) whereby, as of 13 April 2022, the exact date of the increase of the loan to value ratio is still open. Thus, Holders of Covered Bank Bonds issued under this Prospectus before 8 July 2022 (which includes Covered Bank Bonds whose aggregate principal amount is increased (*aufgestockt*)) are exposed to the risk that after 8 July 2022 a loan to value ratio of up to 80 per cent. for residential property may apply also to the cover pools of their Covered Bank Bonds."
